

South Coast School Sport Trials / Nomination Dates 2024.

What are South Coast School Sport Trials?

Students have the opportunity to try out for the NSW South Coast team and represent at NSWCHS Carnivals in 2024. These trials ARE NOT school team competitions and only experienced and talented individual athletes who are already playing at a representative level are encouraged to nominate to trial.

Nomination Checklist:

- I am currently or have recently played at represented level in the sport I wish to nominate.
- I have met with MISS COCKBURN **before the Nomination Cut Off Date** to express interest in trialling and collect Trial Consent form.
- I have completed the Trial Consent Form and gained signatures from Parents/Guardians, Sports Organiser and then the Principal **prior to Trial Date**.
- I have collected my Consent Form from the office to take with me **on the day of the trial**. DO NOT LEAVE IT AT SCHOOL.

General Information for Trials:

- Students cannot trial unless they have spoken to and been nominated by the school Sports Organiser and been approved by the Principal.
- It is the students' responsibility (not parents') to gain appropriate signatures.
- Anyone attending the trial without a signed consent form will not be permitted to trial.
- Students on Level 2 and above are ineligible for selection and cannot attend trials.
- Transport is private.
- A small fee may be charged on the day for venue hire, referees etc. (approx. \$2-\$5).
- School sports uniform to be worn – representative gear not permitted.

NB: Nomination Cut Off Dates need to be adhered to and requires students to see the Sports Organiser **prior to** this day so that information can be gathered and forwarded to the team convenor before the Trial Date. Late nominations will not be accepted.

Further information for all Representative Sport can be found at

<https://app.education.nsw.gov.au/sport>.

Parents are encouraged to follow the SCCHS facebook page here
