

South Coast School Sport Trials / Nomination Dates 2025.

What are South Coast School Sport Trials?

Students have the opportunity to try out for the NSW South Coast team and represent at NSWCHS Carnivals in 2025. These trials ARE NOT school team competitions and only experienced and talented individual athletes who are already playing at a representative or state level are encouraged to nominate to trial.

Nomination Checklist:

- I am currently or have recently played at a represented level in the sport I wish to nominate.
- I have checked the daily notices and seen information about the sport I am interested in trialing for. I have checked I am available for the CHS competition if selected.
- I have collected the information sheet from the sports notice board. I have taken it home and looked over all specific details for the trial. I registered through the online DASH link/QR code provided on the information sheet or registered according to specified instructions and have received approval by the sports coordinator.

General Information for Trials:

- If students have any questions in regards to any of the trials - see Mrs Henry in the Mara staffroom or check the school sport website <https://app.education.nsw.gov.au/sport/Calendar/TermCalendar>
- Email:caitlin.cockburn4@det.nsw.edu.au
- Anyone attending the trial without registering accordingly (gaining approval by sports coordinator) by appropriate date will not be allowed to trial.
- Students on Tier 2 and above are ineligible for selection and cannot attend trials.
- Transport is private.
- A small fee may be charged on the day for venue hire, referees etc. (approx. \$5-\$10).
- School sports uniform to be worn – representative gear not permitted
- It is the student's responsibility to be across all specific details for their trial - e.g. specific protective gear, location and time etc.
- IF students are unable to attend the Trial, please email the trial convenor AND inform the UHS school office.

NB: Nomination Cut Off Dates need to be adhered to and requires students to register **prior to** this day so that information can be gathered and forwarded to the team convenor before the Trial Date. Late nominations will not be accepted.

Further information for all Representative Sport can be found at <https://app.education.nsw.gov.au/sport>. Parents are encouraged to follow the SCCHS facebook page here <https://www.facebook.com/nswchs>

Regards,

Caitlin Henry
