

Amazing Student Talent on Show

Ulladulla High School's annual art exhibition was an amazing way to showcase the school's wide variety of talent in creative and performing arts. The opening night was a great success with a large number of people from the community attending to support the event. The night included a Year 9 drama act, multiple musical performances and a set of three songs by our much loved band 'Quite Like Pete' ... as well as freedom to walk around the hall and examine all of the incredible works of art submitted by the students. Well done to everyone who worked together to make this exhibition possible, to all the students whose work was on display, and thank you to the community for coming to support it.
