

Clean Up Success

Clean up Australia Day inspires thousands of Australians to take to their local park, beach, bushland, school and streets to clean up their local environment. On Friday last week UHS participated in this great event, led by the SEC and Mr Woodland.

The places of the following houses were derived from the amount of rubbish collected, the participation of the people in each house and the sportsmanship of each house.

The results were:

1st-Guruwin

2nd-Bara

3rd-Daringyan

4th-Gawura

This day was a great success and every one had fun, but the main thing is that our school environment is a lot cleaner for everyone to enjoy.
