

HARMONY DAY 2015

On the Friday 20th of March we celebrated a day of peace and love, or in other words Harmony Day. We started our lunch time with wonderful FREE cupcakes made by our lovely students and staff. After our bellies were full of yummy goods we started our crazy games of skipping, with at least 4 skip ropes going at once, it was a sight to remember.

Of course we can't forget the beautiful love hearts and peace signs drawn all around the school that promoted our peace.
