

Pathways to Careers

Business Management

- Do you want to stay in the **Ulladulla** region while you study?
- Are you interested in an alternate way to achieve an ATAR score and Pathway into University?
- Are you looking for a second chance to gain a degree in business, finance, teaching or social sciences?

This collaborative project brings together educational and government organisations to deliver an innovative and leading educational program.

ULLADULLA Wed & Thu weekly 9.30am–3pm **from 17 Feb 2016**

This program has been designed to provide you with the training and skills development to assist you to gain work within a business, administration or accounting sector and prepare you for higher education at University.

Start with 6 units of competency from Certificate III in Business (BSB30115) which focuses on the development of IT and planning skills

From here you will undertake Certificate IV in Small Business Management (BSB40415) working together to develop a project which will give you real world experience.

Included is the development of a career pathway plan, mentoring and industry visits, and a university preparation program held at a local University of Wollongong Campus.

* To participate you must complete an expression of interest application via SCCC.

** Funded places are available which will entitle you to a fee free scholarship, please contact the office to determine your eligibility **

This training is subsidised by the NSW Government and the University of Wollongong
